

## 2013 CABERNET SAUVIGNON

CENTRAL COAST CALIFORNIA | SANTA CLARA VALLEY

### OUR PHILOSOPHY

Jason-Stephen's Cabernet Sauvignon is the definitive expression of a balanced Cabernet Sauvignon. Our goal is to handcraft a consistent expression of our distinctive terroir through a wine that is elegant, complex, and balanced. Our Cabernet Sauvignon is one that is balanced with fruit, structure, and acidity with a soft texture achieved by utilizing the best winemaking practices and equipment.

### TASTING NOTES

This is a great Cabernet Sauvignon as a cocktail hour wine and also pairs well with many fine foods. This versatility comes from bold, yet smooth tannin structure, great fruit flavors, nicely balanced acidity and excellent mouth feel. Fruit flavors of cherry, blueberry, and cassis with notes of clove and black licorice make this wine a great wine to pair with savory foods. This wine is great to enjoy now and over the next 7-10 years.
